Aloha,

I am against Bills# 8 and 9 because placing locations on advertising causes security issues.

I live next door to a Bed & Breakfast and do not want the issues that will arise if they are forced to advertise their address. I think our time and energy would be better spent on coming up with regulations to better govern rentals on the island. From my experience of living next door to a B&B, I'm certain we can co-exist.

Thank you for considering my opinion.
